We're checking the newspaper and fliers this morning
OH?
Destroyers Hatsuyuki Miyuki
DID YOU FIND SOMETHING INTERESTING?
Destroyer Fubuki
That's here in the base right..?
YEAH? IT'S WRITTEN THAT IT'S RIGHT BEHIND THE ARSENAL
どーーん
SAYS THERE'S A NEW UPGRADING ARSENAL OPENING UP.
新規開店!!
改修工廠
Does it really need a flier if it's here..?
Seems like Akashi-san forced it into just the base's

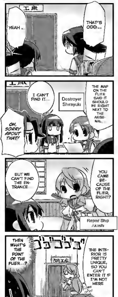
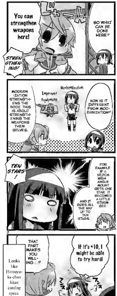
ENTRANCE



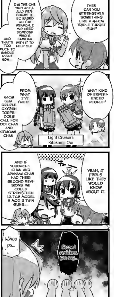
工廠
THAT'S ODD...
YEAH...
工廠
THE MAP ON THE FLIER SAID IT SHOULD BE RIGHT NEXT TO THE ARSENAL...
Destroyer Shirayuki
I CAN'T FIND IT...
OH, SORRY ABOUT THAT!
YOU CAME BECAUSE OF THE FLIER, RIGHT?
BUT WE CAN'T FIND THE ENTRANCE...
Repair Ship Akashi
THE INTERIOR IS PRETTY UNIQUE, SO YOU CAN'T ENTER IT IF I'M NOT HERE
Come on in!
ゴゴゴゴゴ
THEN WHAT'S THE POINT OF THE FLIER...?

★ +



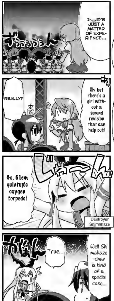
SO WHAT CAN BE DONE HERE?
じゃーん
You can strengthen weapons here!
STRENGTHENING!
HOW IS IT DIFFERENT FROM MODERNIZATION?
Modernization
Improved Equipment
MODERNIZATION STRENGTHENS THE BODY. THIS IS ABOUT STRENGTHENING THE WEAPONS THEMSELVES.
FOR EXAMPLE IF A 12.7CM HIGH ANGLE MOUNT GETS ONE STAR, IT BECOMES A LITTLE STRONGER
AND IT GOES ALL THE WAY UP TO TEN STARS.
TEN STARS!
If it's +10, I might be able to try hard!
フンス
フンス
THAT PART MAKES YOU WILLING...?
Looks like Hatsuyuki-chan likes catalog specs

EXPERTS



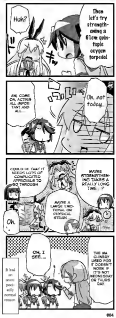
THEN CAN YOU STRENGTHEN SOMETHING LIKE A 46-CM TRIPLE TURRET GUN?
I M THE ONE WHO ACTUALLY PER FORMS IT SO BASED ON THE WEAPON, I MAY NEED SOMEONE WHO S FAMILIAR WITH IT TO HELP OUT
AND THAT'S TOO MUCH TO HANDLE RIGHT NOW...
WHAT KIND OF EXPERIENCED PEOPLE?
FROM WHAT I'VE TRIED
61CM QUA DRUPLE OXYGEN TORPE DOES CALL FOR OOI CHAN AND KITAKAMI CHAN
Light Cruisers Kitakami Ooi
ねー
YEAH, IT FEELS LIKE THEY WOULD KNOW ABOUT IT.
AND IF YUUDACHI-CHAN AND AYANAMI CHAN HAD THEIR SECOND REVISIONS WE COULD STRENGTHEN 12.7CM MODEL B MOD 2 TWIN GUNS...
Second revisions you say...
Whoops...

SECOND REVISION?



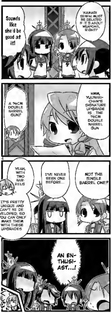
I-...IT'S JUST A MATTER OF EXPERIENCE...
ずううううん
あ
Oh but there's a girl without a second revision that can help out!
REALLY?
じゃーん
Go, 61cm quintuple oxygen torpedo!
Destroyer Shimakaze
Well Shimakaze-chan is kind of a special case...
True.
かぽん

NOT TODAY



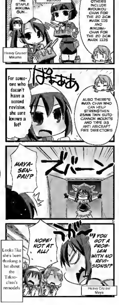
Then let's try strengthening a 61cm quintuple oxygen torpedo!
Huh?
Oh, not today...
AW, COME ON, ACTING ALL IMPORTANT AND ALL...
MAYBE STRENGTHENING TAKES A REALLY LONG TIME...?
COULD BE THAT IT NEEDS LOTS OF COMPLICATED APPROVALS TO GO THROUGH
MAYBE A LARGE EMOTIONAL OR PHYSICAL STRAIN
Oh.
THE MACHINERY USED FOR IT DOESN'T WORK IF IT'S NOT WEDNESDAY OR THURSDAY.
OH, I SEE...
It had an unexpectedly normal reason

YUUBARI



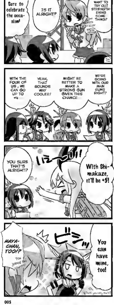
YUUBARI SENPAI MUST BE RELATED IF IT'S ABOUT WEAPONS, RIGHT?
Sounds like she'd be good at it!
HMM, YUUBARI-CHAN'S SIGNATURE UPGRADE IS THE 14CM DOUBLE BARREL GUN
A 14CM DOUBLE BARREL GUN?
NOT THE SINGLE BARREL ONE?
I'VE NEVER SEEN ONE BEFORE...
YEAH, WITH TWO BARRELS
IT'S PRETTY UNIQUE AND CAN'T BE DEVELOPED, SO YOU CAN ONLY MAKE THEM WITH THESE UPGRADES
AN ENTHUSIAST...!

MAYA



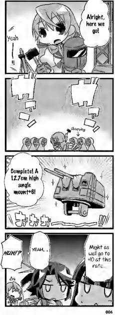
Heavy Cruiser Myoukou
OTHERS INCLUDE MYOUKOU-CHAN FOR THE 20 3CM MARK IIS AND MIKUMA-CHAN FOR THE 20 3CM MARK IIIS
THE STAPLE MIKUMA GUN...
Heavy Cruiser Mikuma
ぱぁああ
ALSO THERE'S MAYA CHAN WHO CAN HELP STRENGTHEN 25MM TWIN SUTO CANNON MOUNTS AND TYPE 93 ANTI AIRCRAFT FIRE DIRECTORS
For someone who doesn't have a second revision, she sure knows a lot!
ズバーン
MAYA-SENPAI!?
5
うがー
YOU GOT A PROBLEM WITH NO REVISIONS!?
NOPE! NOT AT ALL!
Heavy Cruiser Maya
Looks like she's been thinking a bit about the Takao-class's remodels

TEST AMOUNT



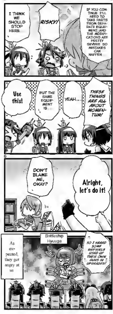
WANT TO TRY OUT STRENGTHENING SOMETHING?
IS IT ALRIGHT?
Sure to celebrate the occasion!
WE'RE GOING WITH OUR MAIN GUNS RIGHT?
MIGHT BE BETTER TO MAKE A STRONG GUN GIVEN THIS CHANCE
YEAH, THAT SOUNDS WAY COOLER!
WITH THE FOUR OF US, WE CAN GO UP TO +4
With Shimakaze, it'll be +5!
はえ～っ!!
YOU SURE THAT'S ALRIGHT?
You can have mine, too!
ビシッ
MAYA-CHAN, TOO!?
You joined the count!?
Thank you very much!?

UPGRADING BEGINS!



Alright, here we go!
Yeah—!!
Observing
Complete! A 12.7cm high angle mount+6!
おおお———!!
Might as well go to +10 at this rate...
YEAH...
HUH!?

RISK



IF YOU CONTINUE I'LL NEED TO TAKE PARTS FROM SEPARATE EQUIPMENT AND THE MODIFICATIONS ARE PRETTY SEVERE SO MISTAKES CAN HAPPEN
RISKY!
I THINK WE SHOULD STOP HERE
THESE THINGS ARE ALL ABOUT MOMENTUM!
YEAH...
BUT THE SAME EQUIPMENT IS...
Use this!
Alright, let's do it!
DON'T BLAME ME, OKAY?
SO I HEARD SOME SHIPGIRLS USED UP THEIR OWN GUNS IN UPGRADES!
Battleship Hyuuga
As expected, they got angry at us
